- ***No Guns in God's House***

PC(USA) congregations have been asked by GA221 to post signs declaring our church property as gun-free zones. (In fact, HRP sent the overture!) Now, the Presbyterian Peace Fellowship (PPF) is looking for 100 congregations to lead the way this year in this bold witness, but concerns over legal issues, politics and public perception often prevail. Does this sound like *your* congregation? Join Margery Rossi, CRE and moderator of the PPF Gun Violence Prevention Working Group, to discuss how to address these concerns with sessions,

pastors and congregants and get resources for education and action to empower congregations to take reasonable and concrete steps to prevent and respond to gun violence in our communities and our nation.

Budget, Finance & Property/Trustees

Tom Buchanan

The Budget, Finance and Property Committee / The Trustees brings two items to the Presbytery for their vote. Note that the whole committee has not discussed these items as both of them came after our June meeting. Due to time constraints, we are asking the Presbytery to take action on these two rather routine items.

- 1) At the Council meeting of the White Plains Presbyterian Church on June 27, the Council voted to move forward with a request for the city of White Plains to designate the cemetery a local landmark under municipal code section 9-6-3(b). Rev. Geary had conversations with several BFP/T members who had no objections to the landmarking of this cemetery, given both its history and its location (adjacent to the sanctuary). The WPPC Council seeks concurrence by the Presbytery so that it can move forward with its request to the City of White Plains.

MOTION: to approve the designation of the White Plains Presbyterian Church's cemetery as a local landmark. **MSA**

- 2) If the way be clear, approve the request of the Pleasant Plains Presbyterian Church to allow them to receive, as a gift/donation, a 2+ acre parcel that is adjacent to the church property and provides a natural buffer zone for the church. The deed stipulates that no building can be built on it. This approval assumes that the church has done its due diligence to see if the property has any encumbrances and how it's been used in the past, to be sure that there are no outstanding liabilities regarding the donated property.

MOTION: to approve the request to receive the gift/donation of the parcel of land mentioned above. **MSA**

Brook Administrative Commission Report (Attachment VIII)

Glenn Henricksen

Glenn summarized the attached report.

MOTION: to dismiss the Brook Church Administrative Commission. **MSA**

Stated Clerk's Report (Attachment IX)

Susan De George

- The minutes of the May 23, 2017 stated meeting of the Presbytery were read by TE Cathryn Surgenor and RE Susan Varden (Goshen). They recommend approval.
- Thank you to the Brook Church Administrative Commission.

MOTION: to approve the minutes of the Scarborough Presbyterian Church with exception. **MSA**

- Information concerning the creation of a discernment team for the Mount Vernon Church is in the attached report. A RE added to the Discernment Team from Mount Vernon Church is Debbie Woods.
- Please plan ahead to make any changes to property.
- Each church should have their own policy in their Manual of Operations, to deal with sick time for a pastor.
- The Permanent Judicial Commission met before this meeting and elected the following new PJC officers: Laurie McNeill-moderator, Harriet Sandmeier-secretary, for two years.

Commission on Ministry

Charles Low

- Martha Carlson was introduced and spoke about her Statement of Faith and something she is excited about in her new yoked position at Bethlehem and Washingtonville churches. Her husband Ed was also introduced.
- COM is reviewing a recommendation about Clergy Compensation. If approved, COM will send in the last pastor salary report that they have received, which will create a sense of conflict if not updated. We need your input, please get your terms of call forms in.
- Charles is on The Presbyterian Mission Agency Board PC(USA), and asked to have people's names submitted for the position of the next Executive Director. Please go to www.presbyterianmission.org, to make a recommendation.

Gavin D. Meek, chair

Your Council reports the following for information:

3. The launch of the new HRP website is scheduled for the end of January.

3. **The election of MWS Stephany Graham (Peekskill) to the Committee on Representation and Nominations (CORN), Class of 2020.** (CORN does not make nominations to itself; Council has been given the responsibility to nominate persons to serve on CORN.)
4. **That the size General Presbyter Nominating Committee be set at eight (8) and that it be given the responsibility to examine the candidate for membership and fitness of call in HRP, if the candidate is a Minister of Word and Sacrament.** (The latter part of this recommendation is ordinary in the PCUSA and ultimately HRP will decide when they act on the recommended nominee of the GPNC.)
5. **That the following be elected to serve on the General Presbyter Nominating Committee (GPNC):**
 1. Lynn Costa (Monroe)
 2. Carol Dornbush (Nauraushaun)

Statement of Faith

Paul Stuart Seelman

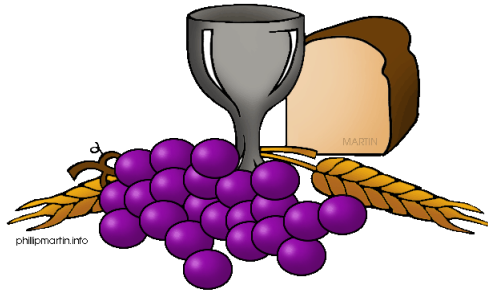

I believe in only one living and true God who is infinite, holy, and loving. Within the Godhead are three persons of one substance, with no confusion, Father, Son, and Holy Spirit, without beginning or end, full of light and life: pure love.

I believe that this good and loving God was active, creating all that is, our world unmarred in the beginning, without sin, a place of abundance for real life. Pride and rebellion entered into the human family, laying us low from our former glory and damaging the relationship with God beyond our own repair. This sin corrupted our wholly good nature and brought death humanity.

From that time on, God worked through faithful and flawed patriarchs and matriarchs to make a new way for humanity to live in restored relationship with God. God chose a line and a people within the human family through covenant to bring salvation to all.

In the fullness of time, God sent the perfect revelation of God's love in a beloved Son. The only begotten Son, co-existent in the Godhead, took on human form, now both fully human and fully divine, to be a second Adam. The man known as Jesus was God's Son and our Messiah, living a sinless and righteous life, dying to set us free from sin and death. His life, ministry, death, and resurrection are a blessing and our salvation. In Jesus Christ we know fully of God's love and share in His calling to this ministry of sharing Good News with and for all people.

The church, Christ's body, is a holy fellowship called, equipped, and sent out by the Holy Spirit to share this amazingly Good News, to bring light and life to the people of this broken world. Amazingly, God calls an imperfect church and sinful believers to participate in sharing God's love. What the church has to share is known as the Good News of Jesus, contained in God's living and revealed Word, Holy Scripture, holy rules of life and faith and two sacraments. With the Spirit to inspire, all that is necessary for salvation is to be found in the Bible. What this love story of God for humanity discloses is that God never stops loving us, never stops reaching out to us. What scripture has us to believe is that God's love always remains and God's purposes to save and restore us will never fail. In and through Christ, the kingdom of God is a real and present reality today, as well as a future and eternal hope. God is making a new heaven and earth, and will raise us like our Lord and brother Jesus with new resurrection bodies to be with the Lord forever. Through Christ, sin and death have been defeated. These beliefs are our comfort and our joy. Thanks be to God!
