

## DEBORAH ANNE RUNDLETT

**Abba God, I believe:**

You are not man but El Shaddai:  
One God, Three Persons in our midst,  
Maker both of heaven and earth,  
the Creator in whom our being rests.

**Lord Jesus Christ, I believe:**

You are the Word Incarnate:  
fully divine, fully human,  
the Christ for all salvation,  
whose brokenness brings wholeness to creature and creation.

**Holy Spirit, I believe:**

You both comfort and afflict.  
Present in the Word and world,  
you draw us in the Triune dance:  
welcoming, restoring, dwelling and sending.

**Triune God, I believe:**

That through your love we have been saved  
and in your body joined together,  
the gospel news to proclaim  
and creation to restore.

**Holy God, I now accept:**

The covenant to which you call us.  
Baptism of water, supper of sacrifice:  
in such we find your means of grace  
for serving in your Name.
